Summary

David gained an excellent understanding of the commercial opportunities and difficulties that his business clients now face during his 20 or so years in the manufacturing sector.

Experience

- David has been advised business owners on insolvency and turnaround since starting his own practice in 1992 before joining Andrew and Chris to establish McTear Williams & Wood in 2000.
- David profiles guidance to businesses which are facing financial distress and specialises in assisting individuals and sole traders.

Education/previous employment

- Colchester Royal Grammar School followed by 'The School of Experience'.
